Announcements

New Women's Bible Study – An inductive study on the book of Galatians is being offered in two formats: 1) Through a Facebook group and 2) As a group discussion on Wednesday evenings. We plan to begin in a couple weeks. Talk to Jessica if you are interested in joining.

Surprise the World! Discussion Group – A discussion group has been scheduled for the *Surprise the World!* book. See Jessica if you would like more info.

Youth Group – If you would be interested in getting involved with the youth group, see Jeff or Richard Bedey.

Perspectives Course Online – Are you longing for a boost in your pursuit of God's purpose for your life? The Perspectives course is designed to educate the Body of Christ in the USA to strategic engagement in God's global purpose. From Genesis to the prophets, Jesus Christ to the early church, and Constantine to today, you will see how God has been moving, how the global Church has responded, and the greatest needs in world evangelization that remain today. It isn't a class about missions, but a course on how every believer can be intimately woven into the story of God using His people to be a blessing to all the peoples of the earth. BBCC has scholarship funds available for congregation members who want to take this course. Talk to Jeff or Jessica for more info. <https://class.perspectives.org/Visitor/Online.aspx>

International Easter Holiday Experience – About 70% of international students who come to America return home without stepping foot in an American home. The majority of these students would love such an experience. Would you sign up to host two or more international students for our church's Easter worship service and in your home for a meal so that they can learn the true meaning of Easter and experience the hospitality of a Christian home? Hosting guidelines and tips will be provided to help you. For more details and online host registration, visit www.iubism.org/easterhost.html. For more information, contact Elan Rajamani: 812-327-9587 / elan@ifmusa.org. (You can also talk to Jeff or Jessica for more info.)

BOOST Retreat – CMC's annual BOOST Retreat will be held at the Hartville Kitchen in Hartville, OH, March 5-7. The purpose of the retreat is to provide a setting for Christian business people, as disciples of Christ in the marketplace, to experience fellowship, encouragement, training and networking opportunities. Keith Miller will be attending if anyone is interested in carpooling. For more information and to register, visit www.cmcrosedale.org/cmc-events/boost.

Adopted People Group – Our church has adopted the Iraqi Sunni Arab people group for special, daily prayer for the next 6 months. There are handouts on the back table of the sanctuary with more information about this people group to inform your prayers. There are also prayer guides with suggested prayer points to facilitate daily prayer for the first month. Please let Jessica know if you have any questions about this or suggestions for implementing this special, increased prayer focus in our congregation.

Sound System Training – Jeff will be offering a training to anyone wanting to learn how to use BBCC's sound system. If you are interested in helping out with the sound system on Sunday mornings, or curious to know how to run it in case you need to use it at other times, talk to Jeff soon.
